Dear Parent

Following a successful lottery bid, we are developing a Massage Programme at Medina House School and would like to invite you and your child to take part in this initiative. Please find enclosed an Information Sheet and Consent Form which needs to be read through carefully. If after reading the information you would like to take part in the Massage Programme, please sign the Consent Form and return to Medina House School. On receipt of the signed Consent Form we will let you know what will happen next.

We plan to run sessions during the school day and out of school hours. If you are unable to attend but would like your child to benefit, we would be happy for one of the members of your child's class team to take part.

Can we take this opportunity to thank you for your support in this project and we look forward to you and/or your child taking part.

If you do have any questions please contact me. You can find out more about this approach by visiting the school website.

Yours sincerely,

**Robin Goodfellow
