## Class 6 Weekend at Little Canada

Last weekend eight members of Class 6 spent two days at Little Canada joining in with the PGL activities. They did abseiling, wall climbing, archery and quad biking. They went on a trampoline and a zip wire and had a good time in the pool. They all stayed in cabins with their friends. The weather was lovely and all the children had lots of fun. Here are some pictures of the children enjoying themselves.

  
**Milk Money**  
**For Earl Mountbatten Hospice**

If your plastic milk bottle lid has this symbol with a number 2 inside it, the lid can be recycled and turned into new plastic goods and raise money for Earl Mountbatten Hospice at the same time, whilst reducing the amount of lids which go into landfill.

The Hospice can only accept milk bottle lids with the correct sign. They cannot process any other type of lid only milk, with a number 2 symbol.

All colours are acceptable and there is no need to separate colours. Please ensure that they are washed.

Please forward into school and we will forward to Earl Mountbatten Hospice.

Thank you for supporting this fundraising idea.

**ROB'S MAD CHALLENGE**
